

The 1892 Society at the University of Rhode Island was established more than 40 years ago to honor alumni and friends who have made charitable estate and planned gifts to URI.

Sharing your intentions with us best ensures that your wishes will be carried out exactly according to your goals. To formalize your bequest, we simply need written documentation of your intentions. Any supporting documents you wish to share will be kept in strict confidence. Please take a moment to tell us about your gift.
